INSPIRATIONAL THOUGHT FOR TODAY

When the government fears people, there is liberty. When the people fear government, there is tyranny.

TRUDEAU/WATSON STRATEGY

As of 06 February 2022, it is clear the PM Trudeau/Mayor Watson have no effective strategy in place to deal with the demands of Freedom Convoy 2022. Trudeau/Watson have only employed a series of punitive tactics and threats which have failed. The attempt to starve out the convoy has failed, as the citizenry is providing food, fuel, and money. Those suffering the most from the Trudeau/Watson collective punishment actions are the small business forced to close while crowds could be spending large amounts of money. The attempt to cut off funding by providing false evidence about the nature of the convoy imploded in a spectacular manner. Freedom Convoy 2022 has shifted to a new platform (Give Send Go) and the rate of funding has increased. The amount of USD 2.2 million has been raised in 36 hours. <https://www.givesendgo.com/FreedomConvoy2022>

SUPPORTING ACTION

A variety of other supportive actions are occurring. Farmer's actions in Toronto closed down much of the downtown core. Farmer tractors joined the Ottawa action. Truckers in Quebec City created a large festive party. The Alberta/Montana border situation remains active and fluid with local support. The second wave of convoys is already developing and will have an effect in multiple jurisdictions.

OTTAWA AIRPORT VISIT

Freedom Convoy 2022 paid a visit to the Ottawa Airport on 06 Feb 2022. The purpose of the visit was to make a short video thanking airport workers who have helped those visiting Ottawa to see events. A short version of the video can be seen at <https://twitter.com/TomTSEC/status/1490100149196144640>

BIG TECH AND BIG GOVERNMENT

The series of false attacks against Freedom Convoy 2022 by Ottawa Police Chief Stoly and Mayor Watson were done in conjunction with Go Fund Me. This was an attempt by a variety of progressive left figures in government working with progressive left figures in Big Tech to suppress those advocating for freedom. The idea of a conspiracy between Big Tech and Big Government is now a reality that can be observed functioning in real time. Big Tech + Big Government = Oppression

CRIME IS DOWN OTTAWA

The Freedom Convoy blockade at Parliament yesterday completed its sixth day amid MPs' claims lawless truckers were attacking passersby on the streets of Ottawa. Preliminary data show police-reported street crime fell since the blockade began: "There have been no riots, injuries or deaths." (From Blacklocks Reporter <https://www.blacklocks.ca/data-contradict-crime-claim/>)

THE GOVERNOR GENERAL OF CANADA

Large numbers of citizens are calling the Governor General of Canada to ask for action from her office.

These include the Governors/Attorney Generals of Florida, Texas, West Virginia, Louisiana and others. <https://www.reuters.com/world/florida-governor-investigate-gofundme-over-canada-trucker-donations-2022-02-05/>

TODAY'S HUMOUR

Prime Minister Trudeau and President Biden are in a competition to see who can spend the most days hiding in a basement.
